

An International Conference on SUSTAINABLE SOLUTIONS IMPLEMENTED TO ACHIEVE SAFE DRINKING WATER & BEYOND...

Organized by Dept. of Microbiology & Bhavan's Research Center (BRC)
Under the aegis of Bhavan's College

In Collaboration with
National Environmental Engineering Research Institute (NEERI)
NSF International.

11th – 12th DECEMBER 2017

SPJIMR Auditorium, Bhavan's College Campus, Mumbai

OBJECTIVES

- Aims to highlight the Objective of 'SWASTH BHARAT' through 'SWACH BHARAT' envisioned by the Prime Minister.
- A platform to bring together people who have made a difference in the field of safe drinking water
- Opportunity to network, adapt and implement these proved solutions for general well being of communities challenged with availability of quality of water.
- Focus on Importance of low cost, sustainable and implementable technologies in ensuring water safety in small towns and villages.
- Emphasize on the role of the industries, government and non-government organizations in implementing the proposed technologies

EVENT HIGHLIGHTS

- **Keynote Addresses by Scientists of Eminence-** *Dr. Anil Kakodkar* (Chairman, Board of Directors of Maharashtra Knowledge Corporation Limited), *Dr. Joan Rose* (Professor, Michigan State University), *Dr. T. Pradeep* (Professor, IIT-Chennai)
- **Challenges Associated with Drinking Water-** *Dr Charles Gerba* (Professor, University of Atlanta) *Dr. Zarine Bhathena* (Professor, University of Mumbai)
- **Policies & Regulations/Smart City Plan-** *Dr. Sanjay Mukerjee* (Add Municipal Commissioner, BMC), *Dr. Patrick Smeets* (KWR, Netherlands)
- **Technology Advances-** *Dr. Pawan Labhsetwar* (Scientist NEERI), *Dr. M. Irshad*, TISS, BARC, Scientists, Water Industry
- **Case Studies-** Akruti Foundation, BARC, Institute of Trans disciplinary Health Sciences and Technology, Safe Water Network, IIPS,
- **Posters Presentation-** IIT-M, IIT-D, NEERI, Georgia Institute of Technology, University of Mumbai, Sardar Patel of Information Technology
- **Participants enrolling-** Academia, Industry, NGO

Registration Fees

Student Presenter	₹ 1770.00
Student Delegate	₹ 1800.00
Academic Delegates	₹ 3700.00
Government/NGO Delegates	₹ 7500.00
Industry Delegates	₹ 11800.00
Student Delegates (Outside India)	\$200
Industry/Academic Delegates (Outside India)	\$ 350

Call for
Abstracts for
POSTER*
Session!
Last date for
abstract submission
30th NOV 2017

*Theme for Poster Session is 'Sustainable Solutions to Achieve Safe Drinking Water'
