

Ms. Aparna Pandey, PhD Student, Dept of Microbiology, was awarded the best paper presentation for her research article entitled "**Production and Optimization of Docosahexaenoic acid from Aurantochytrium - like organism**" at 2nd International conference organized by SIES-Graduate School of Technology, Dept of Biotechnology on "**Prospects and Challenges In Biotechnology**" held on 8th-9th January, 2015; in collaboration with International Journal of Research In Biosciences (IRJBS), an International Peer reviewed quarterly E- Journal (ISSN 2319-2844),

Certificate for winning "Best Paper Award" at Biopack 2015-S.I.E.S- Nerul

At the National Conference organised by Smt. Chandibai Himathmal Mansukhani College, Ulhasnagar on "**Recent Trends and Innovations in Microbial World**" by Dept of Microbiology on 15th-16th January 2015, she secured first prize for the paper entitled

"Isolation and Chrachterization of Novel Aurantochytrium like organism for production of Bio oil" out of 45 short listed oral presentations. The research paper was published in Life Science International Research Journal, Volume 2, special Issue, 2015, ISSN 2347-8691.

The session was Chaired by Dr. Dipankar Nandi, Professor, Dept. of Biochemistry, Indian Institute of Science, Bangalore, and Dr. Saraswati Patel, Retd Associate Professor , Dept of Microbiology, Smt. CHM College.

The work published and presented was carried at Bhavans Research Center under guidance of Dr. Zarine Bhatena, and funded by Dept of Science and Technology, Govt of India, New Delhi.

Certificate for winning "Best Paper Presentation" at R.T.I.M.W 2015 - C.H.M-Ulhasnagar
