

LIST OF PATENTS

2009-10	Dr R.C.Patil	Novel method of Biodiesel production using immobilized lipase obtained from dairy waste	Applied and published	national	App no- 2818/mum/2009 Pub no 45/2012
2009-10	Dr Z. Bhathena	Microbial Biosurfactants as agents for controlling Aspergillus infection in groundnut	Applied	National	1264/MUM/2010
2010-11	Dr R.C.Patil	Antimicrobial sanitary napkins	App and pub	national	App no 1153/mum/2010 Pub no 24/2010
2010-11	Dr R.C.Patil	An improved distillation & soxhlets cooling assembly for saving water from wastage	App and pub	national	App no 2508/MUM/2010 Pub no 42/2010
2010-11	Dr R.C.Patil	Waterless odorless urinal system	App and pub	national	App no 1154/MUM/2010 Pub no 24/2010
2011-12	Dr R.C.Patil	Method for the isolation of pectin from tomato or carrot by using Bacillus subtilus dck B	App and pub	national	App no 1883/mum/2011 Pub no 46/2011
2011-12	Dr R.C.Patil	Vaginal cream for controlling microbial infections	App and pub	national	App no 2616/mum/2011 Pub no 46/2011
2011-12	Dr R C Patil	Oral care composition	App and pub	national	App no 1102/mum/2012 Pub no 21/2012
2011-12	Dr R C Patil	A method of obtaining silver nanoparticles from silver containing waste	App and pub	national	App no 1649/mum/2012 Pub no 35/2012

2012-13	Dr R C Patil	A method for production of enzyme L-glutaminase from bacteria present in gut region of <i>Penaeus monodon</i>	App and pub	national	App no 468/mum/2013 Pub no 14/2013
2012-13	Dr R C Patil	Synthesis and characterization of Zinc oxide nanoparticles synthesized using electroplating waste	App and pub	national	App no 2147/mum/2013 Pub no 27/2013
2012-13	Dr R C Patil	A method of preparation of ZNO nanoparticles by co-precipitation method using black tiger prawns extract	App and pub	national	App no 2422/mum/2013 Pub no 31/2013
2012-13	Dr R C Patil	Method for synthesis of Zn nanoparticles by using Oscillatoria	App and pub	national	App no 2148/mum/2013 Pub no 28/2013
2012-13	Dr R C Patil	Sugar free jam	App and pub	national	appl no 2146 pub no 2013
	Dr Maya Chemburkar	Method of synthesis of Zinc oxide nanoparticles using	App and pub	national	
	Dr. Kakoli Dassharma	Method for production of Enzyme L – Glutaminase from	App and pub	national	Published on 15 th April 2013 in Journal No. 14/2013.
