MM College of Arts, NM College of Science, HRJ College of Commerce
BHAVAN'S COLLEGE (Autonomous)
Munshi Nagar, Andheri West, Mum - 400058

Affiliated to University of Mumbai Since 1984

DEPARTMENT OF STATISTICS

Master of Science in Applied Statistics

Why Choose This Program?

In today's data-driven world, organizations need experts who can collect, analyze, interpret, and harness data for smarter decision-making. Our MSc in Applied Statistics equips you with cutting-edge skills to become a leader in data innovation.

What You'll Learn:

- Advanced Statistical Modeling
- Machine Learning, Deep Learning & AI
- Data Visualization & Storytelling
- Python, R, SQL, PowerBI, and JASP
- Real-world Projects & Case Studies

Career Outcomes:

- Data Scientist
- Statistician
- Machine Learning Engineer
- Data Analyst
- Research Scientist
- Business Intelligence Consultant

Program Highlights:

- Curriculum aligned with NEP 2020 guidelines.
- Hands-on learning with real industry datasets
- Interdisciplinary curriculum blending statistics, computer science & mathematics
- Access to data labs
- Expert faculty with industry and academic experience
- Internship and career support opportunities

 Program Duration: 2 years

 Intake Capacity: 40

 Location: Andheri West

 Eligibility: Bachelor's degree in Statistics, Mathematics, and Computer Science
