“Has this program in any way impacted you as person, if yes, how?” – Mohini, student of Bhavan’s College, Andheri, Mumbai during the Q & A session to me. Last week, this and many such intriguing questions made my efforts worth of presenting Pratham’s Domestic Worker Upward Mobility program.

Though initially I was bit nervous due to the Online platform, sharing my experience of working on this program with the 70 plus students of Department of Life-long Learning and Extension (DLLE) was indeed so satisfying experience.

In a way interacting with the Gen-Next is learning for us too. My special compliments to Bhavan’s College for this unique vertical, DLLE.
